Affiliate of the Year

DCCW Board Meeting Report

Barb Kerouac – Chair

The criteria for the Affiliate of the year 2027 is posted on the www.dccwutah.org website. It is our hope that your affiliate is actively compiling the information to submit your application. It would be our hope to increase the number of applications form last year. We only received 7. We have 26 Affiliates in our Diocese. Every single one is qualified to submit the application except the last 2 years' recipients. We are looking for service projects, education, and spiritual activities that go above and beyond all the usual parish activities that you all do weekly (of course include those). Highlight the unusual activities that most parishes affiliates create, carry out, participate in, sponsor, etc. Be concise as the application is to be on just 1 page.

The application form will be sent with the Call to Convention packets in January. All applications need to be submitted during the month of February 2027.

If you have any questions reach out to me, Susan Porter, or any past DCCW president.
