Happy Month of being Thankful!

I cannot believe November is already here, so now realize that April 2027 will be here in an eye blink. Just a reminder, we will be returning to Little America – April 16-18, 2027, and to book your rooms before the group rate ends on March 16, 2027. (Your credit card just holds the room, no charges until you check in and you can cancel up to 24 hours prior to your arrival date). The link to reserve information was sent out with the June DCCW meeting information. Be sure to use that link or call Little America directly (not other hotel booking sites). We met with Megan and Jonathan at Little America to discuss our Food Choices and AV needs on November 5th. We are currently working on the numbers to determine registration costs and will have them for registration forms and for the scholarship chairs in early December.

We have held two Convention Coordination meetings. Tasks and planning are moving along to be ready for Convention. We are still working the rooms to house Raffle/Silent Auction and our Vendors/Exhibitors, as well as moving ticket sales out of the main room to reduce some of the congestion. Our other main conversation is the buses to the Cathedral and ensuring we have enough but not too many based on those committing to riding the bus on the registration form. Our next meeting is scheduled for December 3, 2026.

We attended the Eastern Deanery Meeting in October to talk about Convention, how registration costs were determined, and comments we received from the surveys. The women shared some of their comments and concerns, which we discussed and took note of for consideration for future conventions. We will be attending the Wasatch Deanery meeting in November. We are very thankful for feeling so welcome at your Deanery meetings. We appreciate you all for giving us some of your time.

As always, we are very open to ideas, comments or concerns you have about Board Meetings and / or Convention. Please reach out to any of us at any time!

Thanksgiving Blessings to you all.
