DCCW Board Meeting Report **Michael O'Shea, Barb Kerouac Co-Chairs**

We are happy to say after the last board meeting we were invited by Ruth Penderghast to give a short presentation on the Circles of Council at St. John the Baptist. She is hoping, with the blessings of Fr. Minuth, to establish an active affiliate. He gave an heartfelt joyful plea to the women who gathered. Thanks to all the ladies who attended from the DCCW Board (President Susan Porter, IPP Annette Pressley, 1st VP Gabby Gauchay, WDCCW Pres Robin Marvive, and IP Province Dir. Jeanne Audiss,) Fingers crossed. Please pray for them to become a zealous affiliate. Barb also gave another short synopsis of Council to my own affiliate of St. Martin de Porres. We encourage more affiliates to reach out to us for help. We would love to come and talk with you. We have prospects with St. Andrew, Riverton and possibly St. Mary's, Park City. Please keep us in your prayers.

One of the things that has been suggested is to develop a starter packet for new affiliates. We will work on this with more to follow. Have a blessed November, remembering the souls of the faithfully departed.

Respectfully,

Barb Kerouac, co-chair
