

Another DCCW Convention is over and Summer is quickly approaching. Marcie and I hope you all have a great time at convention and were able to slow down and take the time to build on your spirituality, strengthen current friendships and make some new friends. We would like to thank all the women who worked so hard to make convention happen. You are all greatly appreciated. We hope you all completed the comment cards and encouraged others to as well. All your comments, positive and negative, help us to continue to improve convention each year.

Marcie and I are excited to welcome ReINETTE Schultz to the team. She brings a lot of experience coordinating events as well as a lot of enthusiasm to help make out convention as great as it can be.

You can all mark your calendars for the 2027 Convention – It will be held April 16-18 at Little America. Hotel Room rates are \$179.00 – \$209.00 depending on Garden or Tower Rooms. With the Temple Opening events next year, we are only contracted to have our guaranteed room blocks for 2 Queen Beds Rooms – Garden or Tower. If you would like a King Bed, Garden Premium, or Tower Luxury Room, you should book as early as possible, as those room types are not blocked out for us and only able to book at our group rate if available. Our code is available to use now and the deadline to make a reservation using our group rates is 3/16/27. I will send out the instructions to book before the meeting. We will have the catering / AV costs by beginning of November to calculate registration costs and share that as soon as possible.

We will be sending out Convention duties to each person from the guidelines and will be starting the Convention Coordination meetings in August.

We would also like to visit each Deanery at a meeting, like we did last year to explain the “behind the scenes” of convention and registration costs, answer questions and gather feedback. We will be in touch to get that scheduled with you all. Also, you can always feel free to reach out at any time with any questions or feedback. We are always happy to share or gather information.
