Board Meeting

As the new Council year begins, we hope to be more visible to affiliates. We would like to attend Deanery meetings to give a quick overview to help affiliates with their needs or questions. This may take some time to coordinate, but we are willing to come meet affiliates and members to answer questions or do a presentation.

We will have a booth at the Utah Catholic Conference on September 19th at Juan Deigo High school. We have done this the past couple years and it is great exposure for DCCW and helps affiliates to identify potential members and spike interest in our DCCW. If possible, I would really like to promote the annual convention at this year's conference.

If you have any ideas or needs, please reach out to us.
