

NORTHERN DEANERY REPORT Q2

St. James Council of Catholic Women (SJCCW)

DCCW Meeting 6.13.2026

April 2026-June 2026

Throughout the past quarter, the women of St. James CCW have continued serving our parish and community with joy and dedication. I'm grateful for the generosity of our parish family and the willingness of our members to step in whenever there is a need.

In April, our Giving Tree focused on backpacks and school supplies for CCS, and our parish responded with wonderful generosity. We also celebrated our first Woman of the Year, Lisa Carver, and our first Golden Rose recipient, Grace Rasmussen, along with all our nominees. We were blessed to hear from Layne Carver, who shared a thoughtful message about renewal and the journey of faith.

In May, Sister Frances Vista joined us to speak about women in leadership and the impact of the Give Me a Chance ministry. We were also able to donate new liturgical vessels for parish use. Much of the month was spent preparing for our June Yard Sale, which is one of our biggest fundraisers.

In June, our three-day Yard Sale brought in people from across the community. It truly takes a village, and our members worked hard—sorting, cleaning, organizing, and helping shoppers. The funds raised will support our CCW initiatives throughout the year.

As we look ahead, I'm excited for what the next quarter will bring and grateful for the women who continue to serve with such heart.
