

SW Deanery Report:

What a wonderful time we all had at convention this year, looking forward to next year already!

The CWC at Christ the King was in charge of saying the Rosary before each mass during the month of May as well as helping the parish get ready for vacation bible school.

They are also working with Father Martin on the vocation promoter team by reading a prayer card of devotion to priesthood after each mass.

In June the CWC will continue to help with vacation bible school and craft nights will begin to make items for our fall festival.

In July craft nights will continue and they will start collecting donated items for back to school back pack drive for children in need of school supplies. A busy summer for sure!

St. George CWC is also very busy. They continue to raise money for to be dedicated to the building fund for the new church.

They also assisted The Knights of Columbus with food preparation for an Italian Night Dinner to help raise money for charity.

The CWC hosted a luncheon to help grow in attendance, they had 30 ladies come for lunch and a few of them came to a CWC meeting.

They plan to have these meetings quarterly as well to help grow the community, how awesome! Thank you ladies!
